Dear Sir;

I received your letter regarding Earll to Earll (or Earl) Deed and Earll to Thomas, Mortgage both of which I found and am enclosing copies of the same.

The other questions I am unable to answer, as I find no reference to James Trowbridge, other than the same notation in the deed, that you referred to. I suspect that Trowbridge was only living on the property as a rentor or leasor or something of that sort. I have checked our records as far back as they go, and find no mention of him as grantor or grantee in any deed up to this time. The property was deeded to above Earll or Earl as shown in accompanying deed.

I have also checked the records back to the beginning and am unable to find where Nelson Earl acquired the property.

I do not know how much this is going to help you but hope it will assist or at least confirm some of the things that you apparently already know.

Our records start in 1790, so that only leaves a period of 40 years or so to check, but being rather incomplete in those days it does seem to leave many loopholes in these early records.

The two photostatic copies and the search fee should be about $3.00 so I amenclosing a bill for $2.00, as you have sent a check for $1.00 which I will apply against the bill.

Yours truly,

John W. Cox

Hubert A. Arnold

Hubert A. Arnold died Oct. 20, 1994, at his home in Davis. He was 82 years old.

Arnold was professor emeritus of mathematics at UC Davis. He was born in Chicago and received his A.B. in mathematics from the University of Nebraska, Lincoln, in 1933. He studied at the University of Paris (Sorbonne) and received his Ph.D. in mathematics from the California Institute of Technology in 1939.

While studying at Caltech, he became friends with mathematician E.T. Bell, and later helped author Constance Reid write Bell's biography "The Search for E.T. Bell."

Arnold entered the U.S. Navy in 1942, after serving as instructor of mathematics at the University of Minnesota, as a visiting research scholar at the University of Virginia and an instructor in mathematics and assistant to Professor Lefschetz at Princeton University. While in the Navy, Arnold rose from lieutenant (j.g.) to lieutenant commander. He served as officer in charge of Princeton's computer development program.

He joined the department of mathematics at UCD in 1948 and remained until his retirement in 1980. His research interests were differentials in abstract spaces and the topological structure of limits sets. He taught a variety of courses and was known for his statistics classes and vocal support for greater public awareness of the pitfalls of faulty statistical data.

Arnold was a person of many talents and interests. He was an accomplished piano player and he danced with the Martha Graham Dance Troupe in New York from 1946 to 1948.

He also collected ceramics from all over the world during his many overseas trips. He donated a collection of more than 1,800 ceramics to the Crocker Art Museum, including outstanding pieces by British, Japanese and American artists, in addition to samples from Mexico and Africa. His donations helped to make the museum's collection one of the best of its kind.

Arnold is survived by his brother-in-law, Thomas M. Davies Sr. of Lincoln, Neb.; his nephew, Dr. Thomas M. Davies Jr. and great-niece Jennifer Davies of San Diego; his nephew, Charles Arnold Davies; his niece, Joanie Davies-Killenger; and his great-nephews, Patrick and Timothy Killenger.

A memorial gathering will be held Saturday, Nov. 19, at 2 p.m. in the back yard of his home, 533 E St., Davis.

Donations may be made to the Davis Friends Meeting, 345 L St., Davis, CA 95616.

reality.

Artist Heidi Bekebrede was wearing one of her latest examples of wearable art, a DEF T-shirt colorfully introducing "The Flying Carousel of the Delta Breeze." The T-shirt will be available at the Saturday Farmers' Market; children's sizes sell for $12, adults' for $15.

Proposed carousel animals that are still available for a $5,000 sponsorship are a swan chariot, a horse, a rabbit, a cat with fish, a frog with insect, a Welsh corgi dog (just in case Queen Elizabeth visits Davis and suffers a sudden bout of homesickness) and a seal.

The Davis cow and a pig have already been claimed for sponsorship.

The Metrognomes took a break from playing their delightful Celtic music while DEF board member Nancy Foster greeted the crowd. Foster gratefully accepted a cash gift from 8-year-old Joshua Zeldner, who donated earnings he made last Wednesday fiddling at the Farmers' Market.

DEF board member Chuck Roe is enthusiastic about upcoming

RE: Benjamin Taylor; War of the Revolution

Dear Sir;

In regards to your letter dated September 3, 1994, there is only one volume of CT Men In the Rev War, and it is available to the public in the Connecticut State Library and I assume other Connecticut public libraries.

I have enclosed all the Rev War information that this office have for the name Benjamin Taylor. Apparently there was at least two Benjamin Taylors', one of whom died in 1775. If more information is needed, perhaps if you contact the Connecticut State Library; 231 Capitol Avenue; ATTN: Genealogy Unit; Hartford, CT 06106; they will be of help to you in your endeavor, as to how many Benjamin Taylors' serviced from Connecticut in the Rev War. No fee is required.
